

Fire and Fuels Management Plan

**Sequoia & Kings Canyon
National Parks**

Final Printing: January 2004

Table of Contents

List of Figures.....	vii
List of Tables	vii
Crosswalk Between RM-18 and This Plan	ix
1 Why Write a Plan?.....	1-1
NEED FOR THIS PLAN.....	1-1
Policy	1-1
Legislative Authority	1-1
Purpose of Sequoia and Kings Canyon National Parks	1-2
Relationship to Higher-Level Planning Documents.....	1-3
WHAT THIS PLAN WILL DO	1-5
2 Mission, Goals, and Objectives of Program.....	2-1
MISSION STATEMENT	2-1
GOALS	2-1
PROGRAM OBJECTIVES	2-2
TARGET CONDITIONS	2-3
TOOLS.....	2-4
3 Management Toolbox: Implementation Procedures.....	3-1
TOOL #1 – PREPAREDNESS ACTIVITIES	3-2
Definition	3-2
Training.....	3-2
Fitness.....	3-2
Fire Prevention	3-2
Fire Readiness	3-3
Weather	3-3
Fire Danger Determination.....	3-3
Preparedness Staffing Plan	3-4
Staffing	3-4
Suppression Fire Response Plan.....	3-4
TOOL #2 – WILDLAND FIRE USE	3-5
Definition.....	3-5
Unplanned Fire: What do we do?	3-6
Reported Fire: What do we do?	3-6
Post-fire: What do we do?	3-7

Staffing Needs and Responsibilities	3-7
Documentation and Cost Tracking.....	3-8
Special Considerations	3-8
TOOL #3 – WILDLAND FIRE SUPPRESSION.....	3-8
Definition	3-8
Unplanned Fire: What do we do?	3-9
Reported Fire: What do we do?	3-9
Post-fire: What do we do?	3-10
Staffing Needs and Responsibilities	3-11
Documentation and Cost Tracking.....	3-11
TOOL #4 – PRESCRIBED FIRE.....	3-12
Definition	3-12
Planned Treatment - Prescribed Fire: What do we do?	3-12
Project Implementation: What do we do?	3-13
Post-fire: What do we do?	3-14
Staffing Needs and Responsibilities	3-14
Documentation and Cost Tracking.....	3-15
Special Considerations	3-15
TOOL #5 – MECHANICAL FUEL REDUCTION.....	3-15
Definition	3-15
Planned Treatment – Mechanical Treatment: What do we do?	3-16
Project Implementation: What do we do?	3-17
Post-Project: What do we do?	3-17
Staffing Needs and Responsibilities	3-17
Documentation and Cost Tracking.....	3-18
Special Considerations	3-18
TOOL #6 – PUBLIC INFORMATION AND EDUCATION.....	3-19
Goals.....	3-19
Staffing	3-20
Target Audiences.....	3-20
Communication Methods	3-20
Evaluation	3-22
TOOL #7 – MONITORING.....	3-23
TOOL #8 – RESEARCH	3-24
4 Fire Management Units and the Planning Process	4-1
PROJECT PLANNING AND PRIORITIZATION.....	4-1
UPDATE, CERTIFICATION, AND REVIEW	4-3
Annual Update	4-3
Program Certification.....	4-3
Periodic Review	4-3

FIRE MANAGEMENT ZONES AND UNITS	4-11
---------------------------------------	------

5 Protection of Sensitive Values 5-1

GIANT SEQUOIA ISSUES: MANAGEMENT AND PROTECTION.....	5-1
SPECIAL MANAGEMENT AREAS.....	5-2
TREES OF SPECIAL INTEREST AND SMAS	5-3
Objectives.....	5-3
Techniques	5-3
Other Special Considerations for Giant Sequoia Management.....	5-4
CULTURAL RESOURCES.....	5-5
General Fire Effects	5-5
Potential Impact Sources.....	5-6
General Mitigation Process.....	5-6
WILDERNESS.....	5-7
WILD AND SCENIC RIVERS.....	5-8

6 Organization and Responsibilities 6-1

ORGANIZATION ROLES AND RESPONSIBILITIES	6-1
Superintendent.....	6-1
Chief of Fire and Visitor Management	6-2
Chief of Natural Resources	6-2
Fire Management Officer	6-2
Fire Budget Assistant.....	6-2
Communications Center/Cache Manager (Supervisory Dispatcher)	6-2
Fuels Management Specialist	6-3
Sequoia District FMO.....	6-3
Kings Canyon District FMO	6-3
Cache Manager.....	6-3
Fire Planner.....	6-3
Fire Effects Ecologist	6-4
Fire Research Coordinator	6-4
Air Quality Management Specialist.....	6-4
Fire GIS Specialist	6-4
Fire Information and Education Specialist.....	6-4
FIRE MANAGEMENT FUNDING	6-4
INTERAGENCY COORDINATION AND CONTACTS.....	6-5

7 Firefighter and Public Safety 7-1

FIRE FIGHTER SAFETY	7-1
Safety Committee.....	7-1
Wildland Fire Program	7-1
Aviation Program	7-2
Structure Fire Program.....	7-2
PUBLIC AND EMPLOYEE SAFETY	7-2

8 Description of the Parks..... 8-1

LOCATION AND GEOGRAPHY.....	8-1
GEOLOGY AND TOPOGRAPHY	8-2
SOILS.....	8-3
CLIMATE	8-3
VEGETATION	8-4
WILDLIFE	8-5
AQUATIC RESOURCES.....	8-6
SENSITIVE SPECIES.....	8-7
AIR RESOURCES.....	8-7
CULTURAL RESOURCES.....	8-8
Prehistoric Resources.....	8-9
Ethnographic Resources.....	8-9
Historic Resources.....	8-9
DEVELOPMENTS AND INFRASTRUCTURE RESOURCES.....	8-9

9 Historic Role of Fire 9-1

PRIOR TO EUROAMERICAN SETTLEMENT	9-1
Fire Regimes.....	9-2
POST-EUROAMERICAN SETTLEMENT CHANGES	9-9

10 Wildland Fire Management Situation..... 10-1

FIRE SEASON AND HISTORICAL WEATHER SUMMARY	10-1
WILDLAND FUELS AND FIRE BEHAVIOR	10-2
EFFECT OF FIRE SUPPRESSION ON WILDLAND FUELS	10-3

CONTROL PROBLEMS	10-4
FIRE MANAGEMENT HISTORY	10-5
Sources of fires	10-5
Fire Suppression.....	10-5
Prescribed Burning	10-6
Wildland Fire Use	10-6
